Product Name: U30JC-B1 Notebook PC

The new U30Jc cuts an impressive stance of style and compact finesse, with its light aluminum alloy construction, Chiclet keyboard and oversized palm rests. It's living proof being in the thin and light segment doesn't have to come with the cost of suffering from uncomfortable and drab design! And at less than 30mm thick and 2kg in weight, this tantalizing machine goes wherever you go.
